Read C.O.(Rt.) No.63/98/Tran. dated 19.2.1998.

Order No.A3/S311/TC/98 dated 15-10-98

Based on the decision of the Empowered Committee, as per the order read above, Government has ordered that all Joint Regional Transport Officers appointed by promotion from among Ministerial Staff who are not technically qualified will undergo training in Basic Automobile Engineering for a period of one month.

Accordingly it has been decided to introduce orientation training of one month duration for the technically not qualified Joint RTOs for acquiring preliminary knowledge in the subject, so as to enable them to familiarise themselves with the mechanical functions of Motor Vehicles and thereby help them to supervise the work of technically qualified subordinate officials and handle files and correspondence relating to such subjects in offices. This training is not intended to make them technically qualified officers but only to familiarise them with the technical information of day to day usage.

The training will be conducted at the Staff Training Centre of K.S.R.T.C. at Attakulangara, Thiruvananthapuram.
