and maintenace of D.C.B. and Tax endorsement
registers - instructions issued -

Ref: Nil.

It is learned that certain taxation Officers are accepting Motor vehicles Tax in respect of Educational Institution buses and private service vehicles in cash and issuing tax licence prescribed for non-transport vehicles. In certain Offices these categories of vehicles, do not find a place in D.C.B. and tax endorsement registers. In order to have a uniform procedure through out the State the following instructions are issued for immediate compliance.

23/4/93
Tax in respect of Transport vehicles is normally accepted by means of demand drafts / cheques. The same procedure should be followed in respect of the above two categories of vehicles also as they came within the definition of Transport vehicles and they should find a place in the D.C.B. and Tax endorsement registers as in the case of the other transport vehicles. This system will be followed from 1.4.93 onwards.

The receipt of the circular should be acknowledged.
