Subject: Effective implementation of Third-party Liability
Insurance cover for motor vehicles.

Sir,

A number of representations have been received in this Ministry pointing out that a large number of non-transport vehicles are plying on the roads without Third-party insurance which is mandatory under Motor Vehicles Act, 1988. It has been suggested that Transport official and the police should conduct random checks of vehicles to ensure compliance with the requirement of the Third-party insurance.

2. Necessary action may please be taken in the matter and intimated to this Ministry.

Yours faithfully,
