

No.C1-12826/TC/96. Office of the Transport Commissioner,  
Thiruvananthapuram, Dated, 21.1.97.

From

The Transport Commissioner,  
Thiruvananthapuram.

To

The Regional Transport Officer,  
Kozhikode.

Sir,

Sub:- M.Vs.- Motor Cycle KL-11/E-2949 attachment  
of extra wheel - Clarification requested -  
reg.

Ref:- Your letter No.R10/26987/96/D dated 28.10.96.

Your attention is invited to the reference cited.  
The vehicle in question was tested by the Testing agency  
and the required proto type certificate was issued and  
thereby the Registering Authority registered the vehicle  
as motor cycle.

Now the question is that whether an alteration  
can be given under section 52 of M.V Act attaching an  
additional wheel in the rear in order to ride the vehicle  
either by a person who is physically handicapped or a  
person who is not having the balance in motor cycles.  
By attaching the rear wheel as requested, anybody can  
ride the vehicle. So there is no need for a prototype  
certificate for this case and need not alter the vehicle  
as invalid carriage.

Therefore you are directed to entertain the  
application of Sri.K.Balaraman, Ganapathi kavu Road,  
West Hill, Kozhikode dated 12.8.96, under section 52 of  
M.V.A ct.

Yours faithfully,

Sd/-

V.C. Ayyappan,  
Sr. Dy. Transport Commr. (Tax)  
for Transport Commissioner.

Approved for issue,

Senior Superintendent
